Date of Most Recent Review: February 11, 2026
Credit Termination Date: February 11, 2029

Accreditation: Crashing Patient, LLC is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: Crashing Patient, LLC designates this enduring material for a maximum of 12 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Needs Assessment: The need for this educational activity was determined by review of the current literature on these topics, expert collaboration to identify practice gaps in knowledge and competence, and discussion with experts in the field.

Target Audience: This activity is designed for physicians, physician assistants, and nurse practitioners in settings such as critical care medicine and emergency medicine.

Goal: Following this activity, learners will be able to implement strategies to address clinician burnout through maximization of time management and workflows.

Objectives: After completing the main course, the learner will be able to:

1. Identify current counterproductive methods of time management and workflow management.
2. Analyze methods to minimize workflow interruptions, chart efficiently using templates and dictation, maintain medicolegally sound documentation, and care for patients safely and efficiently.
3. Integrate strategies to complete charting in the flow of patient care, effective workflow management, and productive team communication to reduce clinician burnout.

Faculty Disclosure: Crashing Patient, LLC has assessed all reported relationships with ineligible companies disclosed by faculty, speakers, authors, editors, and any other individuals who were in a position to control the content of this CME activity. For this activity, these individuals are Scott Weingart, MD, and Robert Orman, MD, Course Directors and Speakers. Unless noted below, none of those in a position to control the content of this educational activity (planners, faculty, authors, etc) have relevant financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients to disclose.

Commercial Support: This activity has received no commercial support.

Earning Credit: Clinicians must review the CME information, participate in the online lectures, and complete the post-activity evaluation.

Hardware/Software Requirements: Access to the internet via a smart device or computer is required to complete this course.
